PRESS RELEASE

Shubham Polyspin Limited ("Shubham") is a Public Limited Company listed on Bombay Stock Exchange.

"Shubham" has been engaged in manufacturing of Multi Filament Yarn. The factory is situated at Block No. 748, Saket Industrial Estate, Nr. Kaneria Oil Mill, Jetpura-Basantpura Road, Borisana, Tal-Kadi, Dist. Mehsana- 382728

The monthly production capacity of the Company is at 250 MT Per month. The Company has also been consistently exporting its products to approx. 10 countries since last couple of years.

Out of product line: PP yarn, Narrow Fabric, Single twist yarn & Twine PP Thread, the Company has already installed twister Machines to manufacture Twine PP Thread as a value added product with approx. 10% of its capacity in 2019. Following the huge demand, the Company has installed another Twister Machine adding approx. 10% more capacity in May, 2022 & this will help the Company to earn higher realization. Majority of the Twine PP Threads are supplied to Government Companies & PSUs.

The Company has been marketing Twine PP Thread under its own brand name which is Registered Trademark as **SHUBHLON®**

Further the management of the Company is actively exploring possibility of expansion of overall production capacity & shall endeavour to become largest Twine yarn producer in India.

In the past, the Company rewarded its shareholders by issuing bonus shares in the ratio of 1:1.
