EXPLANATORY STATEMENT

As required by Section 102 of the Companies Act, 2013 the following Explanatory Statement sets out all material facts regarding to the business mentioned under Item Nos. 3 and 4 of the accompanying notice convening the Annual General Meeting:

ITEM NO. 3:

The existing Authorised Capital of the Company is Rs. 6,01,00,000/- (Rupees Six Crores One Lakh Only) comprising of 60,10,000 Equity Shares of face value of Rs. 10/- each. In view of proposed bonus issue and future need for increase of capital etc., it would be necessary to increase the said Authorised capital to Rs. 12,01,00,000 (Rupees Twelve Crores One Lakh only) comprising of 1,20,10,000 Equity shares of face value of Rs. 10/- each. .

Section 61 of the Companies Act, 2013, provides that a limited company having a share capital may, if so authorized by its Articles of Association, with the consent of its members in its general meeting, alter the conditions of its Memorandum of Association so as to increase its share capital by such amount as it thinks expedient by issuing new shares.

Article 6 of the Articles of Association empowers that the Company may in General Meeting from time to time by Ordinary Resolution increase its capital by creation of new Shares which may be unclassified and may be classified at the time of issue in one or more classes and of such amount or amounts as may be deemed expedient. The new Shares shall be issued upon such terms and conditions and with such rights and privileges annexed thereto as the resolution shall prescribe and in particular, such Shares may be issued with a preferential or qualified right to dividends and in the distribution of assets of the Company and with a right of voting at General Meeting of the Company in conformity with Section 47 of the Act. Whenever the capital of the Company has been increased under the provisions of this Article the Directors shall comply with the provisions of Section 64 of the Act.

In view of this, the Company proposes to increase the existing authorised equity capital from Rs. 6,01,00,000/- (Rupees Six Crores One Lakh Only) comprising of 60,10,000 Equity Shares of face value of Rs. 10/- each to Rs. 12,01,00,000 (Rupees Twelve Crores One Lakh only) comprising of 1,20,10,000 Equity shares of face value of Rs. 10/- each.

The proposed increase in Authorised Capital will consequently require alteration in Capital clause V of Memorandum of Association.

The Ordinary resolution is therefore proposed at item no. 3 of the notice to increase the Authorised Share Capital of the Company and the notice for making necessary alterations in Capital clause V of Memorandum of Association.

The Directors recommend these Resolutions at Item No. 3 of the accompanying Notice for the approval of the Members of the Company.

None of the Directors and Key Managerial Personnel of the Company or their relatives is directly or indirectly concerned or interested in this Resolution.

ITEM NO. 4:

With a view to increase the market capitalization of the Company and also improve the liquidity and considering the financial parameters and the position of reserves of the Company, the Board of Directors of the Company at its meeting held on 3rd September, 2020, has considered and approved the Bonus shares in the ratio of 1 equity shares against 1 equity shares held by the members as on the record date by capitalizing an amount not exceeding Rs. 5,51,00,000/- from the credit balance of Securities premium accounts to the extent of Rs. 4,50,00,000/- and credit balance of Profit and Loss Account to the extent of Rs. 1,01,00,000/-.

The present Authorized Share Capital of the Company is Rs. 6,01,00,000/- out of which share capital of Rs. 5,51,00,000/- is paid-up. The balance in the securities premium account of Rs. 4,50,00,000/- is available for capitalization. There is balance of Rs. 3,06,95,000/- to the credit of profit and loss account as on 31st March, 2020 which is also available for capitalization. To

ANNUAL REPORT 2019-2020

capitalize, securities premium account and a portion of the amount available to the credit of profit and loss account, your Board in its meeting held on 3rd September, 2020 recommended issue of Bonus Shares in proportion of 1 (one) equity share for every 1 (three) existing equity shares held by the members on Record Date to be fixed later on in this behalf by the Board of Directors of the Company for capitalizing a sum of Rs. 5,51,00,000/- from Securities premium account (to the extent of Rs. 4,50,00,000/-) and Credit balance of Profit and Loss Account (to the extent of Rs. 1,01,00,000/-) as per the books of accounts of the Company and the same is proposed to be applied in issuing 55,10,000 fully paid up bonus equity of Rs. 10/- at par.

The proposed issue of bonus shares will be made in line with the provisions of Section 63 of the Companies Act 2013, the Securities & Exchange Board of India (SEBI) Rules and Regulations and subject to such approvals, if required, from the statutory authorities. As per Articles of Association of the Company, it is necessary to obtain the approval of the shareholders for issue of bonus shares by capitalization of reserves.

Further, it is necessary to authorize the Board of Directors/Committee of the Board of the Company to complete all the regulatory formalities prescribed by the SEBI, the Stock Exchanges on which the Company's securities are listed and any other regulatory authority in connection with issue and allotment of Bonus Equity Shares.

The Board recommends the Special Resolution as set out at Item No. 4 in the accompanied Notice for approval of members of the Company.

No Directors, Key Managerial Personnel and/or their relatives, is/are interested or concerned, financially or otherwise in the resolution except as may be deemed to be concerned or interested in the proposed resolution to the extent of their shareholding in the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

This section contains certain forward-looking statements which are based on certain assumptions and expectations of certain future events.

Overall Review

The Company is engaged mainly in the manufacture of all kind of PP Multifilament Yarn/Fabrics. The factory situated at Block No. 748, Saket Industrial Estate, Nr. Kaneria Oil Mill, Jetpura- Basantpura Road, Borisana, Tal-Kadi Dist:-Mehsana-382728. The Company also manufacture on Job Work basis and get their products manufactured on Job Work basis.

In the year 2013, promoters of the Company zeroed on Spin Draw Wind Line Machinery from Lohia Corp having monthly capacity of 50 MT. Spin-Draw-Wind Lines for polypropylene multifilament yarn offer compact and flexible solutions for varied applications. The machine is capable of producing medium to high tenacity air intermingled yarns for sewing threads, webbings & slings, braids & ropes and a variety of technical textiles. Moreover, the company had taken premises admeasuring approx 4800 Square feet area at Block no. 95/3, Shed No. C2 & C3, Trimul Industrial Estate, Vadsar Village, Gandhinagar, on rental basis. Further the company had arranged project term loan sanctioned from Bank for purchasing and installing Spin Draw Wind Line Machine. The products of the company were well received in export markets and recently the company purchased 5th machine having installed capacity of 50 MT/per month. The said machine was fully operational from July, 2018 and currently the total combined capacity of the company is 250 MT/per month.

With a monthly production capacity of 200 MT, the promoters also focused to penetrate in foreign countries.

Industry Structure and developments

Technical textiles are textile materials and products used for their technical performance and functional properties. Technical textiles are an important part of the textile industry and its potential is still largely untapped in India. With the increase in disposable income, the consumption of technical textiles is expected to increase. INDEPENDENT AUDITOR'S REPORT

To
**The Members of
Shubham Polyspin Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **SHUBHAM POLYSPIN LIMITED**. ("the Company"), which comprise the balance sheet as at 31st March 2020, the statement of Profit and Loss for the year then ended, Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and Profit, for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information other than Financial Statements & Auditors Report thereon

The Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the Board's Report including Annexures to Board's Report (but does not include the financial statements and our auditor's reports thereon).

Our opinion on the standalone financial statements does not cover the Other Information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance

is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (the Order) issued by the Central Government in terms of Section 143 (11) of the Act, we enclosed in the Annexure 'A' statement on matters specified in paragraph 3 & 4 of the said order.

“ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Shubham Polyspin Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Shubham Polyspin Limited** (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle for the purpose of current – non-current classification of assets and liabilities.

2. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known or materialised.

3. Inventory :

Inventories consist of Raw Material, Work In Progress, Packing Goods, Finished Goods and Stores. Inventories are valued at Cost. The cost is determined on First in First out (FIFO) basis. The cost of work in progress and finished goods includes material and packing cost, proportion of labour and manufacturing overheads.

4. Fixed Assets

Fixed Assets are stated at cost of acquisition / construction less accumulated depreciation, amortization and impairment loss, if any. Cost comprises of purchase price / cost of construction that relate directly to the specific asset, duties and other non-refundable taxes or levies and any directly attributable cost to bring the assets ready for its intended use. Foreign Exchange gains / losses arising during the year from the effects of changes in foreign exchange rates on foreign currency loans relating to acquisition of depreciable capital assets are adjusted to the cost of the fixed assets. Any internal profits are eliminated in arriving at such costs.

Direct expenses, as well as pro rata identifiable indirect expenses on projects during the year of construction are capitalized.

Capital assets (including expenditure incurred during the construction period) under erection / installation are stated in the Balance Sheet as "Capital Work in Progress."

5. Depreciation

(a) Depreciation is provided as per the "Straight Line Method" at rates provided by Schedule II of the Companies Act, 2013.

(b) Depreciation on additions and on sale/disposal of fixed assets is computed pro-rata on day-to-day basis from the date of purchase or up to the date of sale.

6. Revenue Recognition

Revenue comprises the fair value of the consideration received or receivable for the sale of goods in the ordinary course of the Company activities. Revenue is shown at net of Indirect tax.

Sales revenue is recognized on individual sales when persuasive evidence exists that the significant risks & rewards of ownership of the goods have been transferred to buyer and there is no significant uncertainty regarding the amount of the consideration.

These conditions are generally satisfied when the product is delivered at a fixed or determinable price and when an inflow of economics benefits is reasonably assured. Delivery is defined based on the terms of the sale contract.

7. Taxes on Income:

Taxes on Income comprises of current tax and deferred tax.

Provision for current tax is determined based on assessable profits of the Company as determined under the Income Tax Act, 1961.

Deferred tax is recognised, subject to consideration of prudence in respect of deferred tax assets, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Minimum Alternate Tax (MAT) credit is recognised as an asset as there is convincing evidence that the company will pay normal income tax during the specified period.

8. Provisions, Contingent Liabilities and Contingent Assets :

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Contingent liabilities are not recognised but are disclosed in the notes, if any. Contingent assets are neither recognised nor disclosed in the financial statements.

9. Borrowings and their cost:

Borrowings are recognized initially at fair value net of transaction costs incurred. Borrowings are subsequently stated at amortized cost any difference between proceeds (net of transaction costs) and the redemption value is recognized in the statement of comprehensive income over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date. All borrowings stated in balance sheets are long term. Borrowings (interest bearing loan) are recorded at the proceeds received.

Borrowings costs are recognized as an expense in the period in which these are incurred except to the extent of borrowings costs that are directly attributable to the acquisitions, construction or productions of qualifying assets. Such borrowing cost, if any, are capitalized as part of the cost of that assets.

10. Foreign Currency Transaction :

Transactions denominated in foreign currencies are normally recorded at the exchange rates prevailing at the date of the transaction.

Monetary items denominated in foreign currencies at the Balance Sheet date are restated at the rates prevailing at that date. Exchange difference arising on settlement of foreign currency transactions or restatement of foreign currency denominated assets and liabilities are recognized in the Statement of Profit and Loss.

11. Impairment of non-financial assets:

The Company assess at each reporting date whether there is an indication that an assets may be imparted. If any such indications exists or when annual impairment testing for an asset is required, the company makes an estimates of the asset's recoverable amount. An assets recoverable amount is the higher of an assets or cash generating units fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of group of assets' Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risk specific to the asset, In determining fair value less costs to sell and appropriate valuation model is used.

12. Loans and Receivables:

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets except for maturities greater than 12 months after the balance sheet date in which case, these are classified as non-current assets. The Company's loan and receivables comprises of trade & other receivables, restricted deposits with banks and cash & cash equivalents on the balance sheet date. The Company assesses at each balance sheet date whether there is objective evidence that a financial asset or a group financial asset is impaired and any impairment loss is required to be recognized in the statement of comprehensive income.

The Company considers whether a contract contains an embedded derivative when the entity first becomes a party to it. The embedded derivatives are separated from the host contract which is not measured at fair value through profit or loss when the analysis shows that the economics characteristics and risk of embedded derivatives are not closely related to those of the host contract. Normally no interest is charged on trade receivables.

All regular way purchase and sale of financial assets are recognized on the trade date, which is the date that the Company commits to purchase or sell the assets. Regular way purchases or sales are purchases or sales of financial assets within the period generally established by regulations or conventions in the market place.

13. Trade and Other Receivables:

Trade and other receivables are carried at original invoice amount less provision made for impairment of these receivables. A provision for impairment of trade and other receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the carrying amount and the recoverable amount. The carrying amounts of trade receivables are assumed to approximate their fair value. Normally no interest is charged on trade receivables.

14. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprises cash at bank and in hand, short term deposits, if any with banks and short term highly liquid investments that are readily convertible in to cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short term cash commitments.

15. Liabilities, Provisions and Trade and Other Payable:

All known liabilities are accounted in preparing the financial statements.

Financial liabilities are initially measured at cost and are subsequently measured at amortized cost, using the effective interest method except for liabilities classified as held-for-trading which are carried at fair value.

Provisions are recognized when the Company has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be made. Where the Company expects a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain.

The materiality of the events occurring after the balance sheet date is considered and appropriate adjustments and provisions are made in the financial statements, wherever necessary.

16. Allowance for Doubtful Accounts

An allowance is made for doubtful accounts for estimated losses resulting from the subsequent inability of the customers to make required payments. If the financial conditions of the customers were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required in future periods.

Management specifically analyses accounts receivables and analyses historical bad debt, customer concentrations, customer creditworthiness, current economic trends and changes in customer payment terms when evaluating the adequacy of the allowance for doubtful accounts. At the balance sheet date, the receivables are measured at fair value and their fair values might change materially within the next financial year but these changes would not arise from assumptions or other sources of estimation uncertainty at the balance sheet date.

17. Related Party Transactions

To be read along with Note 30

For the purposes of these financial statements, parties are considered to be related to the company if the company has the ability, directly or indirectly, to control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the company and the party are subject to common control or common significant influence. Related parties may be individuals or entities. Transactions with related parties are disclosed separately wherever possible.

18. Pre operative Expense

Expenses incurred prior to the commencement of commercial production of new unit at Borisana are recognised as Preoperative expenses except to the extent of expenses that are directly attributable to the acquisitions, construction or productions of qualifying assets. Such expenses, if any, are capitalized as part of the cost of those assets. Pre operative Expenses will be written off in 15 equal instalments starting from 31st March 2017. (Refer to Note 13)

19. Government Grants

Government Revenue Grants are recognized only when there is reasonable assurance that that entity will comply with any condition attached to the grant and the Grant will be received. Further such grant is recognized as income over the period necessary to match with the related cost, for which they are intended to compensate on systematic basis. However grant from Gujarat Value Added Tax is recognized only up to the period for which there are no uncertainties about the procedure to claim such grant.

Monetary grants, if any, received for Depreciable asset are recognized in the year in which such grant is received and deducted from the cost of asset. Moreover depreciation is provided on such reduced value.

Note 31: Segmental Reporting

In accordance with the requirements of Accounting Standard 17 – “Segment Reporting” the Company has determined its business segment as Manufacturing of Multi Filament Yarns. Since 100% of the Company’s business is from Manufacturing of Multi Filament Yarns, there are no other primary reportable segments. Thus the segment revenue, segment result, total carrying amount of segment assets, total carrying amount of segment liabilities, total cost incurred to acquired segments assets, the total amount of charge for depreciation and amortisation during the year are all as reflected in the financial statements for the year ended March 31, 2020 and as on that date. There is no geographical segment to be reported since all the operations are undertaken in India.

Information with regard to other matters specified in revised Schedule III to the Act except from reported above is either nil or not applicable to the Company for the period under consideration.

Note 33: Other General Notes

- i) No provision has been made in the books in respect of leave encashment. The amount in respect of the same is not ascertained.
- ii) Balances of Debtors, Creditors and Loans & Advances in the balance sheet are subject to confirmation
- iii) Under the Micro, Small and Medium Development Act, 2006, certain disclosures are required to be made relating to Micro, Small and Medium Enterprises. The company is in the process of compiling relevant information from its suppliers about their coverage under the Act. Since the relevant information is not properly available, no disclosures have been made in the accounts.
- iv) All assets and liabilities are classified as current and non-current as per the company's normal operating cycle and other criteria set out in the schedule III and the Companies Act, 2013. Based on the nature of products and time between the acquisition of assets for processing and their realisation in cash and cash equivalents, 12 months has been considered by the Company for the purpose of current – non current classification of assets and liabilities.
- v) Previous year figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosures.
- vi) The COVID-19 pandemic is rapidly spreading across the world as well as in India and had caused nationwide shutdown. The Company has resumed its business activities in a phased manner in line with the directives of the Government of India. The Company's management has made initial assessment of likely adverse impact on business, and believes that the impact is not material in nature. The management does not see any medium to long term risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due.
