INSTRUCTIONS FOR REMOTE E-VOTING:

The instructions for members for voting electronically are as under:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The Remote E-voting period begins on 27th September, 2026 (Sunday) at 9.00 a.m. (IST) and ends on 29th September, 2026 (Tuesday) at 5.00 p.m. (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 23rd September, 2026 may cast their vote electronically. The Remote E-voting module shall be disabled by CDSL for voting after 5.00 p.m. (IST) on 29th September, 2026.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login to Easi/Easiest are requested to visit cdsi website www.cdslindia.com and click on Login icon and select New System Myeasi tab. 2) After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly. 3) If the user is not registered for Easi/Easiest, option to register is available at cdsi website www.cdslindia.com and click on login & New System Myeasi Tab and then click on registration option. 4) Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the evoting is in progress and also able to directly access the system of all e-Voting Service Providers.
Individual Shareholders holding securities in demat mode with NSDL	1) If you are already registered for NSDL IDeAS facility, please visit the e-Services website of NSDL. Open web browser by typing the following URL: https://eservices.nsdl.com either on a Personal Computer or on a mobile. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name

	or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. 2) If the user is not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDeAS "Portal or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp. 3) Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com / either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. 4) For OTP based login you can click on https://eservices.nsdl.com/SecureWeb/evoting/evotinglogin.jsp. You will have to enter your 8-digit DP ID, 8-digit Client Id, PAN No., Verification code and generate OTP. Enter the OTP received on registered email id/mobile number and click on login. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
Individual Shareholders (holding securities in demat mode) login through their Depository Participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800-21-09911
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 022 - 4886 7000 and 022 - 2499 7000

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(v) Login method of Remote e-Voting for Physical shareholders and shareholders other than individual holding in demat mode.

- 1) The shareholders should log on to the e-voting website: www.evotingindia.com.
- 2) Click on "Shareholders" Module.
- 3) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID
 - c. Members holding shares in Physical Form should enter Folio Number registered with Company
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in Demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

6) If you are a first-time user follow the steps given below:

For Physical shareholders and other than individual shareholders holding shares in Demat Form	
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/ Depository Participant are requested to use the sequence number sent by Company/ RTA or contact Company/ RTA.
Dividend Bank Details or Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the Company records in order to login. If both the details are not recorded with the depository or Company, please enter the member id / folio number in the Dividend Bank details field.

- (vi) After entering these details appropriately, click on "SUBMIT" tab.
- (vii) Members holding shares in physical form will then reach directly the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (ix) Click on the EVSN (for SHUBHAM POLYSPIN LIMITED) on which you choose to vote.
- (x) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolutions Details.
- (xii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.
- (xvii) Additional Facility for Non-Individual Shareholders and Custodians-For remote e-voting only
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves in the Corporates module.
 - A scanned copy of the registration form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving login details, a compliance user should be created using admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote
 - The list of accounts linked in the login will be mapped automatically & can be delink in case of any wrong mapping.

SHAREHOLDER INSTRUCTIONS FOR E-VOTING

- It is mandatory that, a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- Alternatively, Non-Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; compliance.spl@gmail.com, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

PROCESS FOR THOSE SHAREHOLDERS, WHOSE EMAIL/ MOBILE NO. ARE NOT REGISTERED WITH THE COMPANY/DEPOSITORIES:

- For Physical shareholders- please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to **Company/RTA email id**.
- For Demat shareholders -, Please update your E-mail Id & Mobile No. with your respective Depository Participants (DP)

3. For Individual Demat shareholders – Please update your E-mail Id & Mobile No. with our respective Depository Participants (DP) which is mandatory while E-voting & joining virtual meetings through Depository.

If you have any queries or issues regarding e-Voting from the CDSL e-Voting System, you can write an email to helpdesk.evoting@cdslindia.com or contact at toll free no. 1800-21-09911.

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Manager, (CDSL) Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai - 400013 or send an email to helpdesk.evoting@cdslindia.com or call on toll free no. 1800-21-09911.

- (xviii) Any person who acquires the shares of the Company and becomes the Member of the Company after dispatch of the notice and holding shares as on the cut-off date i.e. 23rd September, 2026 may obtain the login Id and password by sending a request at helpdesk.evoting@cdslindia.com. However, if you are already registered with CDSL for remote e-voting, then person becoming member can use their existing user ID and password for casting their vote.
- (ixx) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com under help section or write an email to helpdesk.evoting@cdslindia.com.
- (xx) The Company shall be making arrangements for the members to cast their votes in respect to the businesses through poll/ballot, for members attending the meeting who have not cast their vote by remote voting.
- (xxi) The Company has appointed Mr. Manoj Hurkat, a Practicing Company Secretary, Ahmedabad as a Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
- (xxii) The scrutinizer shall, immediately after conclusion of voting at AGM, first count the votes casted at the meeting, thereafter unblock the votes casted through remote e-voting in presence of at least two witnesses not in employment of the Company and make not later than two days of conclusion of meeting a consolidated Scrutinizer's Report of the total votes casted in favour or against, if any, to the Chairperson or person authorized by him in writing who shall countersign the same and Chairperson shall declare the results, which shall not be later than 5:00 p.m., 2nd October, 2026.
- (xxiii) The result declared, along with the Scrutinizer's Report shall be placed on the Company's website: compliance.spl@gmail.com and on the website of CDSL after the result is declared by the Chairperson and also be communicated to the National Stock Exchange where the equity shares of the Company are listed.

INSTRUCTIONS FOR E-VOTING DURING AGM:

- (i) The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for Remote e-voting.
- (ii) Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available in the AGM.
- (iii) If any Votes are cast by the members through the e-voting available during the AGM and if the same members have not participated in the meeting through VC/OAVM facility then the votes cast by such members shall be considered invalid as the facility of e-voting during the meeting is available only to the members participating in the meeting.
- (iv) Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.

INSTRUCTIONS FOR ATTENDING THE AGM THROUGH VC/OAVM:

- (i) Member will be provided with a facility to attend the AGM through VC/OAVM through the CDSL e-Voting system. Members may access the same at <https://www.evotingindia.com> under shareholders/members login by using the remote e-voting credentials. The link for VC/OAVM will be available in shareholder/members login where the EVSN of Company will be displayed.
- (ii) Members are encouraged to join the Meeting through Laptops for better experience.
- (iii) Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
- (iv) Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
- (v) Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker may send their request 7 days prior to meeting mentioning their name, demat account number/folio number, email id, mobile number at company email id i.e. compliance.spl@gmail.com.
- (vi) Shareholders who would like to express their views/have questions may send their questions in advance 7 days prior to meeting mentioning their name demat account number/folio number, email id, mobile number at company email id i.e. compliance.spl@gmail.com. The same will be replied by the company suitably.

Those shareholders who have registered themselves as speaker will only be allowed to express their views/ask questions during AGM.

SECRETARIAL AUDIT REPORT

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

SHUBHAM POLYSPIN LIMITED

(CIN: L17120GJ2012PLC069319)

Block No. 748, Saket Industrial Estate,

Nr. Kaneria Oil Mill, Jetpura- Basantpura Road,

Borisana, Tal-Kadi Dist:-Mehsana-382728

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SHUBHAM POLYSPIN LIMITED** (hereinafter called the “**Company**”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 (**‘SCRA’**) and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**‘SEBI Act’**) to the extent applicable to the Company:
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
 - e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
 - i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015The Management of the Company has identified and confirmed that there are no laws specifically applicable to the Company.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreement(s) entered into by the Company with Stock Exchange(s), if any.

We further report that:

- a) The Board of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors took place during the period under review.
- b) Adequate notice is given to all Directors to schedule the Board Meetings at least seven days in advance. Agenda and detailed notes on agenda were also sent to all Directors and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

- c) Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that based on the review of the compliance mechanism established by the Company and on the basis of compliance certificates issued by various departments and taken on record by the Board of Directors at their meeting, we are of the opinion that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, no events /actions have taken place which have major bearing on the affairs of the Company in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

'Annexure A'

To,
The Members,
SHUBHAM POLYSPIN LIMITED
Block No. 748, Saket Industrial Estate,
Nr. Kaneria Oil Mill, Jetpura- Basantpura Road,
Borisana, Tal-Kadi Dist:-Mehsana-382728

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS -1 to CSAS-4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. Our report of even date is to be read along with this letter.

1. Maintenance of Secretarial record is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these Secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts and cost records of the Company.
4. Where ever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events, secretarial records and other factual position which cannot be otherwise verified etc.
5. The compliance of the provision of corporate and other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of the same on test basis.
6. The Secretarial audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

This section contains certain forward-looking statements which are based on certain assumptions and expectations of certain future events.

Overall Review

The Company is engaged mainly in the manufacture of all kind of PP Multifilament Yarn/Fabrics. The factory situated at Block No. 748, Saket Industrial Estate, Nr. Kaneria Oil Mill, Jetpura- Basantpura Road, Borisana, Tal-Kadi Dist: Mehsana-382728. The Company also manufacture on Job Work basis and get their products manufactured on Job Work basis.

In the year 2013, promoters of the Company zeroed on Spin Draw Wind Line Machinery from Lohia Corp having monthly capacity of 50 MT. Spin-Draw-Wind Lines for polypropylene multifilament yarn offer compact and flexible solutions for varied applications. The machine is capable of producing medium to high tenacity air intermingled yarns for sewing threads, webbings & slings, braids & ropes and a variety of technical textiles. Moreover, the company had taken premises admeasuring approx 4800 Square feet area at Block no. 95/3, Shed No. C2 & C3, Trimul Industrial Estate, Vadsar Village, Gandhinagar, on rental basis. Further the company had arranged project term loan sanctioned from Bank for purchasing and installing Spin Draw Wind Line Machine. The products of the company were well received in export markets. Currently the total combined capacity of the company is 250 MT/per month with effective production capacity of 200 MT/per month

With a monthly production capacity of 200 MT, the Company has been focusing to increase production of value added products in the overall production.

Industry Structure and developments

Technical textiles are an important part of the textile industry and its potential is still largely untapped in India. With the increase in disposable income, the consumption of technical textiles is expected to increase. Thriving on end user segment growth and domestic consumption, the Indian technical Textiles market has reached INR 1,16,000 crore at a year-on-year growth rate of 12% p.a Major Schemes being implemented for technical textiles by Ministry of textiles, government of India.

Financial Performance with respect to Operational Performance

The Company is engaged in the manufacture of all kind of PP Multifilament Yarn/Fabrics. It has reported net profit margins between 1% to 5% in last five years. In future, the Company expects the revenue growth to be around 3% to 5% in the next couple of years.

Financial Performance:

(Rs. In Lakhs)

Particulars	Current Year Ended 31.03.2026	Previous Year Ended 31.03.2025
Revenue from Operations (Gross)	5117.56	5250.71
Add: Other Operating Income	-	-
Less: Total Expenditure	4930.74	5226.55
Profit before other income, interest, depreciation & tax	186.82	24.16
Add: Other Income	154.31	267.72
Earnings before Interest, Tax and Depreciation (EBITDA)	341.13	291.88
Add: Interest Income	-	-
Earnings before Interest, Tax and Depreciation (EBITDA)	341.13	291.88
Less: Interest Expense	76.48	75.77
Less: Depreciation	119.69	125.48
Profit before tax	145.13	90.63
Less: Tax Expenses	42.57	20.80
Profit for the year	102.56	69.83

Details of significant changes in key financial ratios are as given below:

Sr.No.	PARTICULARS	UOM	F.Y.2024-25	F.Y.2025-26	GrowthYOY
1	Revenue Growth	%	6.82%	(2.54%)	(9.36%)
2	EBITDA	Lakhs	291.88	341.13	16.87%
3	EBITDA Margin	%	5.56%	6.67%	1.11%
4	PBT	Lakhs	90.63	145.13	60.13%
5	PAT	Lakhs	69.83	102.56	46.87%
6	Net Worth	Lakhs	1603.09	1706.84	6.47%
7	ROE %	%	4.45%	6.20%	39.33%
8	Net Debt	Lakhs	829.59	844.23	1.76%
9	Debt	Weight	0.68	0.70	2.94%
	Equity		1.00	1.00	-
10	Working Capital Ratio	Times	1.54	1.43	(7.53%)
11	Fixed Assets Turnover Ratio	Times	3.47	3.27	(5.76%)
12	Debt Service Coverage Ratio	Times	1.36	2.97	118.38%
13	Inventory Turnover Ratio	Times	25.43	14.15	6.89%
14	Debtors Turnover Ratio	Times	9.30	11.44	22.93%
15	Interest Coverage Ratio	Times	3.85	4.46	15.84%

The turnover of the Company slightly decreased in the financial year 2025-26 compared to previous year. However, decreased expenses, resulted in increase in the profitability of the Company. Due to higher profitability, there was increase in PBT, PAT & ROE in the financial year 2025-26 compared to previous year. Moreover there was improvement in Debt Service Coverage Ratio and Interest Coverage Ratio due to higher profitability in the current year.

The Company practices an internal control system which ensures proper handling and management of its assets. The internal control system of the Company is geared towards achieving efficiency in operations, effective monitoring and compliances with all applicable laws and regulations. The Company regularly conducts internal audit programs. The internal control department of the Company functions under the guidelines of the Audit Committee of the Company.

The Company regularly reviews the adequacy and effectiveness of the internal control system and suggests improvement for strengthening them.

Opportunities and threats

Our Company and factory is situated at well-developed industrial area, with all the infrastructure facilities and both skilled and unskilled manpower are available at competitive cost. Moreover, our factory location is having easy access to National and a state highway as a result transportation of goods we manufacture and procure becomes hassle free. At present, our company is having manufacturing of Polypropylene (PP) Multifilament yarn upto 200 MT/per month and we have reach to this level within a short span of 5-6 years.

Our company constantly endeavors to improve our production process, skill up gradation of workers, modernization of plant and machineries to optimize the utilization of resources. We regularly analyze our material procurement policy and manufacturing process to de bottle neck the grey areas and take corrective measures for smooth and efficient working thereby putting resources to optimal use.

Material Developments in Human Resources and Industrial Relations Front:

Our promoters have been actively involved in the business from continues personal attention. Further, our promoter Directors has adequate and rich experience in our business. The team comprises of personnel having operational and business development experience. We believe that our management experience and their understanding of our industry will enable us to continue to take advantage of both current and future market opportunities. Our Company is having a number of experienced staff. There is a good communication system between all the levels of management level i.e. from top level management to bottom level. Our management's experience and knowledge enable us in addressing and mitigating various risks inherent in our business, including competition, the global economic crisis related effects and fluctuations in the prices.

Outlook

The outlook for Indian economy for the year 2025-26 need to be assessed in the light of emerging global and domestic developments due to geo-political tensions and recessionary trend in developed nations. Indications are that global economic growth is expected to pick up slightly. This can be expected to provide boost to India's exports. On the other hand, the

ANNUAL REPORT 2025-2026

increasing global prices of oil and other key commodities may exert an upward pressure on the value of imports. In line with the projections for strengthening of India's growth by multi-lateral institutions, the nominal growth of the economy is expected to be 5- 7 per cent in the financial year 2026-27.

Risks and Concerns

The Company regularly insures all its assets to enable itself in case of any mishappening. The Company has framed a risk management process which constantly monitors the Indian and international markets and guides the management of any sort of prevailing risk to the Company.

Environment and Safety:

The Company is committed to comply with the statutory requirements related to environment, health, safety and to prevent pollution through continuous improvement in processes, practices and EHS awareness. Your Company not only cares for compliances in this aspect but also contributes towards society health, safety and green environment.

Material Developments in Human Resources and Industrial Relations Front, including number of people employed

Human resource is an asset to any industry. The Company believe that their employees are the key to the success of their business. They focus on hiring and retaining employees and workers who have prior experience in the Plastic Industry. Their manpower is a prudent mix of experienced and young personnel which gives the dual advantage of stability and growth. Company's work processes and skilled resources together with their strong management team have enabled them to successfully implement growth plans. As on 31st March, 2026, the Company has the total strength of 64 Employees excluding Contract Labours in various departments.

Cautionary Statement:

Statement in this Management Discussion and Analysis Report, describing the Company's objectives, estimates and expectations may constitute 'Forward Looking Statements' within the meaning of applicable laws or regulations. Actual results might differ materially from those either expressed or implied.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Shubham Polyspin Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of **Shubham Polyspin Limited** ("the Company"), which comprise the balance sheet as at 31st March 2026, and the statement of Profit and Loss, the statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, its Financial Performance, and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key Audit Matter	How our audit addressed the matter
1. Revenue Recognition	
Revenue from operations is material to the financial statements and comprises domestic sales, export sales, job work income and sale of traded goods. The timing of revenue recognition, particularly around the year-end, involves the risk that revenue may not be recognised in the appropriate accounting period. Accordingly, revenue recognition was considered to be a key audit matter.	Our audit procedures included, among others: (i) evaluating the design and implementation of key internal controls over revenue recognition; (ii) testing, on a sample basis, sales transactions with supporting documents such as customer orders, invoices, dispatch documents and e-way bills/shipping documents; (iii) performing cut-off testing around the year-end to verify that revenue had been recognised in the correct accounting period (iv) carrying out analytical procedures on revenue trends and gross margins; and (v) assessing whether revenue recognition and related disclosures comply with the applicable financial reporting framework.
2. Inventory Valuation	
Inventory represents a significant balance in the financial statements of the Company. Being a manufacturing entity, inventory comprises raw materials, work-in-progress and finished goods, the valuation of which involves management judgement relating to cost allocation, overhead absorption and assessment of net realisable value. Accordingly, valuation of inventories was considered to be a key audit matter.	Our audit procedures included, among others: (i) evaluating the design and operating effectiveness of controls over inventory valuation; (ii) attending physical inventory verification on a sample basis or evaluating management's inventory count procedures, where applicable; (iii) testing the costing of inventory by verifying material cost, labour and overhead allocation; (iv) assessing the reasonableness of management's determination of net realisable value by comparing inventory costs with subsequent sales prices and identifying slow-moving or obsolete items; and (v) evaluating the adequacy of inventory-related disclosures in the financial statements.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure 1', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure 2'.
 - g) With respect to the matter to be included in the Auditor's Report under section 197(16), In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding

Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
- v. No dividend has been declared or paid during the year by the company.
- vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

REFERRED TO IN PARAGRAPH UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE OF SHUBHAM POLYSPIN LIMITED

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i. a) A. The company maintains proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
B. The company maintains proper records showing full particulars of intangible assets;
- b). As explained to us, Property, Plant and Equipment have been physically verified by the management at reasonable intervals; no material discrepancies were noticed on such verification;
- i. c) According to the information and explanation given to us and the title deeds and other records examined by us, we report that the title deeds in respect of all immovable properties have been disclosed in the financial statements and it is held in the Company's name as at the balance-sheet date.
- i. d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- i. e) As explained to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. a) As explained to us, physical verification of inventory has been conducted at reasonable intervals by the management. In our opinion, the coverage and procedure of such verification by the management is appropriate. No discrepancy of 10% or more in the aggregate for each class of inventory were noticed on physical verification of stocks by the management as compared to book records.
- i. b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. Certain differences were observed between the statements submitted to the banks and the books of account of the Company. Such differences were reconciled by the management and were not considered material.
- iii. a) According to the information and explanations given to us and based on our examination of the records of the Company, during the year, the Company has not made any investments, granted any loans or advances in the nature of loans, or provided any guarantee or security to any companies, firms, limited liability partnerships or other parties. Accordingly, reporting under clause 3(iii) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.

- i. b) The company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- iv. In our opinion and according to the information and explanations given to us, the provisions of Sections 185 and 186 of the Companies Act, 2013 are not applicable to the Company during the year, as the Company has not granted any loans, provided any guarantees or securities, or made any investments covered under the said provisions.
- v. The company has not accepted any deposits or amounts which are deemed to be deposits covered under sections 73 to 76 of the Companies Act, 2013.
- vi. The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any activity carried out by the Company. Accordingly, paragraph 3(vi) of the order is not applicable to the Company.
- vii. (a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company is regular in depositing with the appropriate authorities undisputed statutory dues, including Goods and Services Tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, Cess and other material statutory dues, as applicable. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at March 31, 2026 for a period of more than six months from the date they became payable.
b) According to the information and explanations given to us and based on our examination of the records of the Company, there are no statutory dues referred to above that have not been deposited on account of any dispute.
- viii. According to the information and explanations given to us and based on our examination of the books and records of the Company, no transactions that were previously unrecorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.
- ix. a) In our opinion and according to the information and explanations given by the management, we are of the opinion that the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
b) According to the information and explanations given by the management, the company is not declared willful defaulter by any bank or financial institution or other lender;
c) In our opinion and according to the information and explanations given by the management, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
d) In our opinion and according to the information and explanations given by the management, funds raised on short term basis have not been utilized for long term purposes.
e) In our opinion and according to the information and explanations given by the management, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures,
f) In our opinion and according to the information and explanations given by the management, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x. a) The company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year.
b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
- xi. a) According to the information and explanations given by the management, no fraud by the company or any fraud on the company has been noticed or reported during the year;
b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government;
c) According to the information and explanations given to us by the management, no whistle-blower complaints had been received by the company
- xii. The company is not a Nidhi Company. Accordingly, Clause 3(xii) of the order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us, the related party transactions entered into by the Company are in compliance with the provisions of Sections 177 and 188 of the Companies Act, 2013, wherever applicable. The requisite disclosures in respect of such transactions have been made in the financial statements in accordance with the applicable Accounting Standards;
- xiv. In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business, and we have considered the internal audit reports issued for the period under audit.

- xv. On the basis of the information and explanations given to us, in our opinion during the year the company has not entered into any non-cash transactions with directors or persons connected with him.
- xvi. a) In our Opinion and based on our examination, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934).
- b) In our Opinion and based on our examination, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934,
- c) In our Opinion and based on our examination, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- d) According to the information and explanations given by the management, the Group does not have any CIC as part of the Group.
- xvii. The Company has not incurred cash losses during the current financial year or in the immediately preceding financial year.
- xviii. There has not been any resignation of the statutory auditors during the year.
- xix. On the information obtained from the management and audit procedures performed and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report indicating that the Company is capable of meeting its liabilities existing at the balance sheet date as and when they fall due within a period of one year from the balance sheet date.
- xx. According to the information and explanations given to us, the provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility are not applicable to the Company. Accordingly, the reporting requirements under clause 3(xx) of the Order are not applicable.
- xxi. The reporting requirements under clause 3(xxi) of the Companies (Auditor's Report) Order, 2020 are not applicable in respect of the standalone financial statements of the Company.

Annexure 2

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SHUBHAM POLYSPIN LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Standalone financial statements of Shubham Polyspin Limited for the year ended March 31, 2026, we have audited the internal financial controls with reference to standalone financial statements of the Company, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls with reference to the standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the standalone financial statements included obtaining an understanding of internal financial controls with reference to the standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to the standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control with reference to the standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to the standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to the standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Cash flow Statement for the year ended March 31, 2026

Rupees in Lakhs

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
A Cash Flows from Operating Activities:-		
Profit before tax	145.13	90.63
Adjustments for:-		
Finance Cost	76.48	75.55
Gain on Fair Valuation of Investments	-	-
Gain on Fair Valuation of Derivatives	(2.69)	
Interest Income	(7.24)	(6.15)
Depreciation and Amortisations	116.64	123.82
Gain on Fair Valuation of Investments	-	
Gain on Sale of Investment	-	(1.86)
Gain on Sale of PPE	(0.08)	-
Total	183.11	191.37
Operating profit before working capital changes	328.24	281.99
Adjustments for:-		
[Increase] / Decrease in Trade receivables	16.06	217.75
[Increase] / Decrease in Inventories	(196.91)	(36.80)
[Increase] / Decrease in Other Financial Asset	50.72	(50.98)
[Increase] / Decrease in Other Non-financial Assets	(61.64)	(50.96)
Increase / [Decrease] in Other Current liabilities	41.49	(21.98)
Increase / [Decrease] in Other Current Financial Liabilities	5.60	3.68
Increase / [Decrease] in Trade payables	10.41	(111.79)
Increase / [Decrease] in Provisions	2.18	2.59
Total	(132.10)	(48.49)
Cash generated from operations	196.14	233.50
[Direct taxes paid] / Refund received	(34.26)	(8.25)
Total	(34.26)	(8.25)
Net cash used in operating activities	161.88	225.26
B Cash flows from investing activities:-		
Purchase of Property, Plant & Equipment	(255.90)	(90.66)
Sale of PPE	4.21	-
Government incentive received	-	-
Interest Income Received	5.83	4.41
(Investment in) / Redemption of unit linked insurance plan	-	1.86
Term Deposits Matured / (Placed) (Net)	-	-
Net cash (used in) / generated from investing activities	(245.86)	(84.40)
C Cash flows from financing activities:-		
Finance Cost	(76.96)	(75.15)
Proceeds / (Repayment) from Borrowings (Net)	14.63	(70.20)
Net cash used in financing activities	(62.33)	(145.35)
Net increase/ (-) decrease in cash and cash equivalents	(146.31)	(4.49)
Cash and cash equivalents at the beginning of the year	202.00	206.49
Cash and cash equivalents at the close of the year	55.69	202.00
Components of Cash and Cash Equivalents:		
Cash	5.43	1.39
Balances with Banks in current accounts	50.26	200.61
	55.69	202.00

Notes to the cash flow statement

- 1 All figures in brackets are outflow.
 - 2 Cash flow has been prepared using Indirect Method prescribed under Ind AS 7.

Company Secretary

Notes to the Financial Statements for the year ended March 31, 2026

1 Corporate Information

Shubham Polyspin Limited ("the Company") was incorporated on March 12, 2012. The Company's registered office is located at Block No. 748, Saket Industrial Estate, Nr. Kaneria Oil Mill, Jetpura- Basantpura Road, Village Borisana Taluka Kadi Mahesana GJ 382728. The Principal Business Activity of the Company is Manufacturing of polypropylene Yarn and Sale of service (Job Work).

2 Statement of compliance

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

3 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

4 Functional and Presentation Currency

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates. All the amounts are stated in rupee lakhs.

5 Significant Accounting Policies

A Use of Estimates

The preparation of financial statements are in conformity with the recognition and measurement principles of Ind AS which requires management to make critical judgments, estimates and assumptions that affect the reporting of assets, liabilities, income and expenditure. Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions to the estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of:

- 1) Useful lives and residual value of property, plant and equipment: Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.
- 2) Impairment of financial assets: The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.
- 3) Impairment of non-financial assets: Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.
- 4) Employee benefits: The cost of the defined benefit and long term employee benefit plans and the present value of the

related obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation, a defined benefit and long term employee benefit obligations are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting period.

- 5) **Expense Provisions & Contingent liabilities:** The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS. A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provisions are determined by discounting the expected future cash flows. The Company has capital commitments in relation to various capital projects which are not recognized on the balance sheet. In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.
- 6) **Valuation of deferred tax assets:** Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the credits can be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

B Property Plant and Equipment and Intangible Assets

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes all expenses related to the acquisition and installation of Property, Plant and Equipment which comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses.

Capital Work in Progress: Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost comprises direct cost, related incidental expenses, pre-operative expenses, project expenses and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss.

Intangible Assets: Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

C Depreciation and amortisation useful life of Property, Plant & Equipment and Intangible Assets

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. In respect of tangible assets, depreciation is charged on a straight line basis so as to write off the cost of the assets over the useful lives as prescribed in Schedule II of the Companies Act, 2013. Depreciation on additions / disposals of the assets during the current reporting year is provided on pro-rata basis according to the period during which the assets are put to use / discarded. Intangible assets (softwares) are amortised over their estimated useful life on straight line method over a period of five years.

D Impairment of Assets

The Company, at each balance sheet date, assesses whether there is any indication of impairment of any asset and / or cash generating unit. If such indication exists, assets are impaired by comparing carrying amount of each asset and / or cash generating unit to the recoverable amount being higher of the net selling price or value in use. Value in use is determined from the present value of the estimated future cash flows from the continuing use of the assets.

E Foreign Exchange Transactions and Translation

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. The net gain or loss on account of exchange differences arising on settlement of foreign currency transactions are recognized as income or expense of the period in which they arise. Monetary assets and liabilities denominated in foreign currency as at the balance sheet date are translated at the closing rate. The resultant exchange rate differences are recognized in the statement of profit and loss. Non-monetary assets and liabilities are carried at the rates prevailing on the date of transaction.

F Inventory

Inventories consist of Raw Material, Work In Progress, Packing Goods, Finished Goods and Stores. Inventories are valued

at lower of cost or net realisable value. The cost is determined on the FIFO method and is net of tax credits and after providing for obsolescence and other losses. Cost includes all charges in bringing the goods to their existing location and conditions, including various tax levies (other than those subsequently recoverable from the tax authorities), transit insurance and receiving charges. Net realizable value is the contracted selling value less the estimated costs of completion and the estimated costs necessary to make the sales. The Cost of work in progress and finished goods includes material and packing cost, portion of labour and manufacturing overhead.

G Financial Instruments

Financial Assets

Initial recognition and measurement:

The Company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input). In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- i. The Company's business model for managing the financial asset and
- ii. The contractual cash flow characteristics of the financial asset. Based on the above criteria, the Company classifies its financial assets into the following categories:
 - i. Financial assets measured at amortized cost.
 - ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)
 - iii. Financial assets measured at fair value through profit or loss (FVTPL)

Financial assets measured at amortized cost:

A financial asset is measured at the amortized cost if both the following conditions are met:

- a) The Company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables and other financial assets of the Company. Such financial assets are subsequently measured at amortized cost using the effective interest method.

Under the effective interest method, the future cash receipts are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial asset over the relevant period of the financial asset to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest income over the relevant period of the financial asset. The same is included under other income in the Statement of Profit and Loss. The amortized cost of a financial asset is also adjusted for loss allowance, if any.

Financial assets measured at FVTOCI:

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss.

Financial assets measured at FVTPL:

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Financial Liabilities

Initial recognition and measurement:

The Company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognized initially at fair value minus, in the case of financial liabilities not

recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability.

Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input). In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

Subsequent measurement:

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method. Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest expense over the relevant period of the financial liability. The same is included under finance cost in the Statement of Profit and Loss.

Equity Instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognised as a deduction from equity, net of any tax effects.

Derivative Instruments

The Company uses derivative financial instruments such as forward contracts to mitigate the risk of changes in exchange rates. Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as Financial Assets when the fair value is positive and as Financial Liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss.

De-recognition of financial assets and liabilities

The Company derecognizes a financial asset when the contractual right to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction which substantially all the risk and rewards of ownership of the financial asset are transferred. If the Company retains substantially all the risk and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received. The Company derecognizes a financial liability when its contractual obligations are discharged, cancelled or expired; the difference between the carrying amount of derecognized financial liability and the consideration paid is recognized as profit or loss.

Impairment of financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset, and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Trade Receivables

Trade receivables are amounts due from customers for sale of goods and services in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

Cash & Cash Equivalents

Cash and cash equivalents consists of cash on hand, balance with banks, short demand deposits. Short term means investments with original maturities / holding period of three months or less from the date of investments. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalent for the purpose of statement of cash flow.

Trade Payables

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business

and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

Other financial assets and liabilities

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

H Revenue Recognition

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Sale of products:

Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is dispatched to the customer or on delivery to the customer, as may be specified in the contract.

Rendering of services:

Revenue from services is recognized on satisfaction of performance obligation for the services rendered. If the services rendered / goods sold by the Company exceed the payment, a contract asset is recognised. If the payments by customer exceeds the services rendered / goods sold, a contract liability is recognised.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Export Incentive in the nature of MEIS notified by the Government is accounted when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

I Employee Benefits

Employee benefits include Salary, wages, gratuity expense and compensated absences.

Defined benefit plan:

For defined benefit plan in the form of gratuity fund, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to Statement of Profit and Loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in Statement of Profit and Loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs. The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans. A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

Short-term and other long-term employee benefits:

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and other short term employee benefits in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognised in respect of long-term employee benefits in form of compensated absences are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

J Operating Expenses

Operating Expenses are charged to statement of Profit and Loss on accrual basis.

K Leases

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-

of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate as suggested by Ind AS 116. Lease payments included in the measurement of the lease liability comprise the Fixed payments, including in-substance fixed payments. The lease liability is measured at amortised cost using the effective interest method. When the lease liability is remeasured, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. The Company presents right-of-use assets as separate line item in Non-current Assets and lease liabilities in 'borrowings' in the balance sheet.

Short-term leases and leases of low-value assets:

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases of real estate properties that have a lease term of less than 12 months. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term.

L Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability is not recognized but its existence is disclosed in the financial statements. Contingent assets are not recognised and disclosed only when an inflow of economic benefits is probable in the financial statements.

M Taxation

Tax expense comprise of current and deferred tax. Current income tax comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in jurisdictions where such operations are domiciled. Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Current and deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Advance taxes and provisions for current income taxes are presented in the balance sheet after offsetting advance taxes paid and income tax provisions arising in the same tax jurisdiction and the Company intends to settle the asset and liability on a net basis. The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

N Borrowing Costs:

Borrowings are recognized initially at fair value net of transaction costs incurred. Borrowings are subsequently stated at amortized cost any difference between proceeds (net of transaction costs) and the redemption value is recognized in the statement of profit and loss over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Borrowing costs are recognised as an expense in the period in which they are incurred except the borrowing cost attributable to the acquisition / construction of a qualifying asset which are capitalised as part of the cost of such asset, up to the date, the asset are ready for their intended use.

O Segment Reporting

The Company identifies segments as operating segments whose operating results are regularly reviewed by the Chief Operating Decision Maker [CODM] to make decisions about resources to be allocated to the segment and assess its performance and for which discrete financial information is available. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company.

P Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes, if any) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in right issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Q Government Grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all the attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income or netted off against related expense on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. Grant relates to an asset is deducted from the carrying amount of the assets.

R Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

S Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of noncash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

T Current versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- (a) expected to be realised in, or is intended to be sold or consumed in Company's normal operating cycle;
- (b) held primarily for the purpose of being traded;
- (c) expected to be realised within 12 months after the reporting date; or
- (d) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

All other assets are classified as non-current.

A Liability is current when:

- (a) it is expected to be settled in Company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within 12 months after the reporting date; or
- (d) The Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. All other liabilities are classified as non-current.

U Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of product and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

V General

Any other accounting policy not specifically referred to are in consistent with the generally accepted accounting principles.

W Standard Issued but Not effective

The Ministry of Corporate Affairs (MCA), as part of India's continued convergence with IFRS, has initiated the process for introduction of Ind AS 118 – Presentation and Disclosure in Financial Statements, which is converged with IFRS 18 issued by the IASB in April 2024. Ind AS 118 is intended to replace Ind AS 1 (Presentation of Financial Statements) and focuses on improving how entities present and communicate financial performance, particularly in the Statement of Profit and Loss. This standard is proposed to be applicable for annual reporting periods beginning on or after 1 April 2027, subject to final notification by the MCA through amendment to the Companies (Indian Accounting Standards) Rules.

B Measurement of Fair Values

i Financial Instrument measured at Amortised Cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

ii Levels 1, 2 and 3 : Valuation Techniques and Key Inputs

Level 1 : It includes Investment that has a quoted price and which are actively traded. It is being valued using the closing price as at the reporting period on the active market.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. Fair value of foreign exchange forward contracts outstanding on reporting date is considered

as Level 2 fair value.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

- iii There have been no transfers between Level 1, 2 and 3 during the years.

33 Derivative financial instruments and hedging activity

The Company's revenue is denominated in various currencies. Given the nature of the business, a large portion of cost is denominated in Indian Rupee. This exposes the group to currency fluctuation.

The Group has entered into derivative instruments by way of foreign exchange forward. Such derivatives are recorded at fair value through profit and loss. As at March 31, 2026, the notional amount of outstanding contracts aggregated to Rs. 1,50,000 (Rs. Nil as at March 31, 2025) and corresponding derivative asset / (liability) is Rs. 2,69,086 (Rs. Nil as at March 31, 2025).

Fair value loss / (gain) of Rs. Nil and (Rs. Nil/-) on foreign exchange forward have been recognised in the statement of profit and loss for the years ended March 31, 2026 and 2025, respectively. If exchange rates had been 5% higher/lower, Profit before tax for the year ended March 31, 2026 would increase/decrease by Rs. Nil (for the year ended March 31, 2025 by Rs. Nil) as a result of the change in fair value of derivative financial instruments.

34 Financial Risk Management

The Company's financial liabilities comprise mainly of borrowings, trade and other payables and financial assets comprise mainly of cash and cash equivalents, trade and other receivables.

The Company is exposed to Market risk, Credit risk and Liquidity risk. The Board of the Company monitors the risk as per risk management policy. Further, they also have oversight in the area of financial risks and controls. The following disclosures summarize the Company's exposure to financial risks. Quantitative sensitivity analysis have been provided to reflect the impact of reasonably possible changes in market rates on the financial results, cash flows and financial position of the Company.

A Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk. Financial instruments affected by interest rate risk includes borrowings, by currency risk includes trade payables and trade receivables and by price risk includes investments.

Within the various methodologies to analyze and manage risk, Company has implemented a system based on "sensitivity analysis" on symmetric basis. This tool enables the risk managers to identify the risk position of the entities. Sensitivity analysis provides an approximate quantification of the exposure in the event that certain specified parameters were to be met under a specific set of assumptions. The risk estimates provided here assume:

- 1% increase / decrease in interest rates
- 5% increase / decrease in exchange rates
- 5% increase / decrease in investment price

The potential economic impact, due to these assumptions, is based on the occurrence of adverse / inverse market conditions and reflects estimated changes resulting from the sensitivity analysis. Actual results that are included in the Statement of profit and loss may differ materially from these estimates due to actual developments in the global financial markets.

The following assumption has been made in calculating the sensitivity analysis:

The sensitivity of the relevant statement of profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2026, and March 31, 2025

i Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company seeks to mitigate such risk by regularly reviewing its interest rate on borrowings. Summary of borrowings which are exposed to such risk has been provided below:

Rupees in Lakhs		
Particulars	March 31, 2026	March 31, 2025
Borrowings	844.23	829.59
Total	844.23	829.59

Interest rate sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of change in interest rates. The following table demonstrates the sensitivity of floating rate financial instruments to a reasonably possible

change in interest rates. The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

Impact on Profit / (loss) after tax

Rupees in Lakhs

Particulars	March 31, 2026	March 31, 2025
Increase in 100 basis points	(6.32)	(6.14)
Decrease in 100 basis points	6.32	6.14

ii Currency Risk

Currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company transacts business in foreign currencies (primarily USD). Consequently, the Company has foreign currency trade payables and receivables and is therefore exposed to foreign exchange risk. The Company manages its foreign currency risk by following policies approved by board as per established risk management policy. The carrying amounts of the Company's foreign currency denominated monetary items are as follows:

Exposure to Currency Risk

Particulars	March 31, 2026 Rs in Lakhs	March 31, 2025 Rs in Lakhs
Financial Assets		
Trade Receivables	20.04	69.40
Financial Liabilities		
Trade Payables	-	-
Net exposure to foreign currency	20.04	69.40

The following exchange rates have been applied:

Particulars	March 31, 2026	March 31, 2025
Closing Rate		
USD	93.48	85.43

Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD rates to the functional currency of respective entity, with all other variables held constant. The Company's exposure to foreign currency changes for all other currencies is not material. The impact on the Company's profit after tax is due to changes in the fair value of monetary assets and liabilities.

Impact on Profit / (loss) after tax

Rupees in Lakhs

Particulars	March 31, 2026	March 31, 2025
USD		
Strengthening by 5%	1574.54	5453.36
Weakening by 5%	(1574.54)	(5453.36)

iii Price Risk

Entity is not exposed to any price risk as it doesn't have any outstanding Investments.

B Credit Risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk primarily trade receivables and other financial assets. Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Management specifically analyses accounts receivables and analyses historical bad debt, customer concentrations, customer creditworthiness, current economic trends and changes in customer payment terms when evaluating the adequacy of the impairment on doubtful receivables. Credit risk arising from these financial assets are limited and do not require for providing impairment. The Company does not have significant concentration of credit risk related to trade receivables except the details given below for the customers contribute to more than 5% of total outstanding accounts receivable as at any reporting period end:

Particulars	Rupees in Lakhs			
	March 31, 2026		March 31, 2024	
	% of Receivables	Amount	% of Receivables	Amount
Customer 1	6%	38.01	5%	31.61
Customer 2	6%	41.09	10%	60.27
Customer 3	17%	114.29	13%	81.55

C Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing at an optimised cost.

The table below analysis financial liabilities of the Company into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The amounts disclosed under the ageing buckets are the contractual undiscounted cash flows and includes contractual interest payments.

Particulars	Rupees in Lakhs			
	Carrying amount	Less than 12 months	More than 12 months	Total
As at March 31, 2026

Derivative Financial Liabilities	-	-	-	-
Total	932.94	684.86	248.08	932.94

ANNUAL REPORT 2025-2026

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Entity's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Particulars	Rupees in Lakhs			
	Carrying amount	Less than 12 months	More than 12 months	Total

35 Capital Management

The entity manages its capital to ensure that entity will be able to continue as going concern while maximising the return to stakeholders through the optimisation of total equity balance. The capital structure of the Company consists of both own equity as well as borrowings. Gearing Ratio of the Company as at March 31, 2026 and March 31, 2025 is as calculated as under. The Company is not subject to any externally imposed capital requirement.

Particulars	Rupees in Lakhs	
	March 31, 2026	March 31, 2025
Interest-bearing loans and borrowings	844.23	829.59
Less: cash and cash equivalents	(55.69)	(202.00)
Adjusted net debt	788.53	627.59
Equity share capital	1,212.20	1,212.20
Other Equity	494.64	390.89
Total equity	1,706.84	1,603.09
Adjusted net debt to total equity ratio	0.46	0.39

37 Ratio Analysis and Reasons for Movement**Ratios:**

Particulars	March 31, 2026	March 31, 2025	% change from March 31, 2025 to March 31, 2026
Current Ratio	1.43	1.54	(7.53)%
Debt-Equity Ratio	0.49	0.52	(4.42)%
Debt Service Coverage Ratio	-	1.36	(100.00)%
Return on Equity Ratio	6.20%	4.45%	39.16%
Inventory Turnover Ratio	14.15	25.48	(44.47)%
Trade Receivables Turnover Ratio	11.44	9.30	22.93%
Trade Payables Turnover Ratio	77.55	41.11	88.61%
Net Capital Turnover Ratio	14.74	13.76	7.19%
Net Profit Ratio	2.00%	1.33%	50.69%
Return on Capital Employed	7.82%	6.21%	25.90%
Return on Investment	0.00%	0.00%	0.00%

Reasons for variance of more than 25% in above Ratios:

- 1) Debt Service Coverage Ratio: The ratio improved primarily due to higher earnings before interest and depreciation (EBITDA) and improved cash generation during the year, resulting in enhanced debt servicing capacity.
- 2) Return on Equity Ratio : The increase is attributable to higher profit after tax during the current year, leading to improved returns on shareholders' funds.
- 3) Inventory Turnover Ratio : The ratio declined mainly due to an increase in average inventory levels maintained during the year to support business operations and anticipated demand, resulting in relatively lower inventory turnover.
- 4) Trade Payables Turnover Ratio: The increase is mainly due to faster settlement of trade payables and a reduction in the average outstanding balance of trade creditors during the year.
- 5) Net Capital Turnover Ratio : The increase is attributable to improved operating profit (EBIT) during the year, resulting in better utilization of capital employed.
- 6) Net Profit Ratio : The improvement is primarily on account of higher profitability during the year driven by improved operational performance and better cost management.

ANNUAL REPORT 2025-2026
